

## AUSTIN PACKER CROSS COUNTRY

Dear Parents, Alumni and Friends

Packer Cross Country tries to do many things to have a successful team. Many of these things can not be covered by the school's budget. These things include Alumni meet dinner, Runner of the Week T-shirts, Friday morning breakfast, Fall camp supplies, Duluth expenses and many other little things throughout the season.

In the past several years we have avoided any kind of specific fundraiser and have relied on the generosity of parents, alumni and friends in giving small monetary donations. We feel that most parents would rather give a small amount of money, rather than sell things to neighbors/family or spend hours of time on a particular fundraiser. We would like to do that again this season. This is a voluntary donation and is by no means a requirement or an expectation to be on our team.

If during the season you find it possible to donate to the cross-country team, simply complete the form below, put it and your donation into an envelope and hand it to one of the coaches or mail it to.
